However, **Men's and Co-Ed Recreational League** teams are allowed to have one high school player if a parent or guardian signs the roster or liability release form. **Women's Recreational League** teams are allowed to have two high school players if a parent or guardian signs the roster or liability release form prior to first game.
- B. Players may play in more than one league under the following stipulations:
  - a. Players may compete on a weekday league team and on a Sunday league team, but not on two Weekday or Sunday league teams.
  - b. **Players who compete on a Competitive team may not compete on a Recreational team.**
- C. Current or former professional basketball players may participate on Competitive-level teams only.
- D. **Teams found utilizing an ineligible player will forfeit all games in which the ineligible player participated.**
- E. **Teams may not add players to the roster after the final game of the "regular" season or during the postseason tournament. A player must sign the roster and must have played in at least one game to be eligible for the playoffs.**

- D. The registration process is not complete until all signatures are validated and all listed registration procedures have been met.
- E. Teams are welcome to apply for a particular league. However, the League Director may place teams into leagues or divisions in order to achieve scheduling and competitive balance and to maximize gymnasium usage.

### 3. SPECIAL GAME RULES

- A. Games will be two 24-minute halves with a three-minute halftime. Clock will stop during the final two minutes of the second half when a team leads by fewer than 10 points. Once the team is ahead by 10 or more the clock will run again. The clock also stops during timeouts, injury delays and other situations when it is deemed necessary by the Facility Supervisor or game officials.
- B. Each team is allotted three timeouts per game during regulation time. Each team will receive a one-minute timeout in each overtime session. Unused timeouts do not carry over to the overtime session.
- C. All technical fouls and flagrant fouls will result in the other team shooting two free throws and receiving the ball out of bounds.
- D. Overtime will be a three-minute period. Clock will stop during the final minute. If the game is still tied after one overtime period then the game will end in a tie score. During playoffs, the overtime will be repeated until one team wins the game.
- E. Players may enter the lane once the ball has left the hand of the free-throw shooter. Defensive players may step on the block when lined up for a free throw attempt.

### 4. LEAGUE PROCEDURES

- A. A Facility Supervisor, employed by MPRD, will be in charge of each basketball venue, including oversight of participants and spectators. Facility Supervisors have the authority to take any action necessary to maintain a safe and orderly environment.
- B. Team captains are responsible for informing their team of pertinent information and are responsible for their team's knowledge of league rules and regulations.
- C. The postseason tournament determines the league champion. Regular-season games determine tournament seeding. Seeding is determined by the following factors: Winning % - Head to Head – Lowest # of Forfeits -Common Opponents – Total Points Against – Coin Toss.
- D. Electronic scoreboards are operated as a courtesy to participants and spectators. If the scoreboard is not functional or available then a scorebook will be kept as the official score.
- E. MPRD is not responsible for lost or stolen equipment or personal items. Jewelry, watches, bracelets, dangling earrings, necklaces, rings, etc. are not allowed to be worn on the court and should be left at home whenever possible. Personal belongings must be placed completely out of play in areas where they pose no threat to safety.
- F. If a team forfeits more than once, it may be suspended from further play by the League Director without refund of league fees.
- G. MPRD provides a game ball, two officials and a scorekeeper (Facility Supervisor) for all games. Games are to begin at the time listed on the schedule. Game time (as determined by the Facility Supervisor) is forfeit time. At “game start” time the scorekeeper will run down a 5 minute grace period. If 4 eligible players do not show up before the grace period runs out then that team must forfeit. A “scrimmage” game may be played if there is enough time after a forfeit, but referees and scorekeepers may not be available.
- H. Four (4) players must be present per team in order to start a game. If a team drops below four players during a game due to injury, fouls, etc., the game will be forfeited to the

opposing team.

- I. Substitutions are permitted when the ball is whistled dead. **The substitute(s) must report to the scorekeeper and be waved in by an official prior to stepping on the court.**
- J. Flagrant fouls and unusual play will be reported to the League Director, which may result in disciplinary action in addition to decisions made by officials or the Facility Supervisor.
- K. Hanging on the rims is prohibited. Dunking the basketball is prohibited before and after games. Infractions will result in a technical foul. Dunking is allowed during play only at gyms with breakaway rims. However, any damage to goals rims or backboards (as determined by the Supervisor, League Director or School authority) will be the responsibility of the player and/or team.
- L. **Players are required to wear numbered jerseys of the same general color as their teammates. Reversible basketball jerseys with numbers on both sides are highly recommended.** Home team is listed first on the schedule. If there is a color conflict, the visiting team will be required to wear a different color or forfeit the game. There will be NO SHIRTS AND SKINS GAMES. Each team is allowed one player without a number; otherwise a technical foul will be issued for each player who plays without a number.
- M. Participants must wear basketball- or non-marking court shoes. Any footwear that leaves marks on the floor will be barred.
- N. Wet towels are not permitted on wood gym floors.
- O. Protests must be submitted in writing, accompanied by a \$25 filing fee, to the MPRD office, at the Santo Community Center within 24 hours after the game. Protests are to help clarify and interpret rules, not to question the judgment of officials. Due to limited gym space and tight league schedules, no protested games will be replayed. Protests are to help prevent similar occurrences and to better the league.
- P. Players who wish to change teams are permitted only if the player's original team captain agrees. Otherwise, there will be a one-game wait period from the date the request was received before the player may play for his or her new team.
- Q. The City of Medford does not provide insurance coverage for participants or teams. Participants are responsible for all costs associated with injuries or damage resulting from participation in league play.
- R. Schedules and results are posted at [www.sportsmedford.com](http://www.sportsmedford.com). Games may be canceled due to inclement weather or due to unforeseen facility conflicts.

## 5. CODE OF CONDUCT

- A. The captain is the official representative of his/her team unless another player designates him/herself as team captain to the scorekeeper prior to the game. **The team captain is responsible for his or her team abiding by rules, procedures and regulations.** All players are expected to know Medford city-league rules, regulations and expectations.
